

Go for Your Goals at USF

At the University of St. Francis, we set you up for success by providing a values-based graduate education that ensures you stand out in your field. Discover how we inspire you to achieve your goals today!

>> Wide range of graduate programs

USF offers graduate degree programs in the high-demand areas of business, education, health care, management, nursing, social work, and training and development. Whether you want to earn your master's or doctoral degree, we have you covered.

>> Flexible schedules/formats

Our programs fit you. We offer online, on-site, and blended-format programs. Plus, many are accelerated, allowing you to graduate sooner.

>> Individualized graduate experience

We offer a personalized touch so that you are supported at every turn. From admissions and enrollment to graduation, you'll have a whole team behind you.

>> Collaboration

You'll have one-on-one time with our expert faculty and work on real-time projects with your fellow students. Our graduate community is made up of all walks of life, across many industries and disciplines, providing a vast pool of knowledge that enhances your education.

>> Time management

Because time is always an issue when going back to school to earn your graduate degree, we've put together tips and tricks to help you stay on track.

>> Facts

- We've been providing online education for busy working adults for **more than 30 years.**
- Our **tuition is competitive**, and discounts, payment plans, financial aid, and tuition reimbursement deferment is available.
- We are a welcoming community that incorporates Franciscan values in everything we do.
- Our alumni network is made up of **52,000 graduates** and spans all 50 states.
